TO WHOM IT MAY CONCERN

I'm glad to introduce myself, as a CERTIFIED SURGICAL ASSISTANT (SA-C), USA licenced in May 2009, and associate of American Board of Surgical Assistant.

My place of birth is Venezuela, and I lived there until 2006, when I became a resident of the USA. Since then I have been travelling to Venezuela for work, and I have been studying to become a certified Surgical Assistant in the USA, Certification that I had in May 2009.

I have a foreign MEDICAL DEGREE in Venezuela(1986) and Italy (2000), and foreign Master's Degrees (Venezuela) in General Surgeon (1991) and Gynecology and Human Reproduction. (1994). On March 2010, I will finish a Master 's Degree in Aesthetic Medicine in Venezuela.

I have been working in private practice, as a General Surgeon, Bariatric Surgeon and Medical and Surgical Gynecologist since 1992 in Venezuela at the "Hospital de Clinicas Caracas", and in public practice as Gynecology Surgeon at the Venezuelan Red Cross Hospital.

I'm part of a Bariatric Surgery Group in Venezuela at the "Hospital de Clinicas Caracas", but I'm interested in working in the USA as a Certified Surgical Assistant, (a Physician Assistant with Surgery Training), and I would like to arrange an interview at a mutually convenient time, for further discuss my qualifications.

Thanks for your time and consideration

Sincerely,
